Paul was very disappointed about the turnout for the General Staff meeting last Thursday Night. There is one on Nov. 18, 1976, Thursday at 7pm. If the people don't attend, they will lose their shows.

The equipment being held at the Post Office in town will be picked up on Friday. Headphones, etc.

Bill checked the equipment and reception in Schlesser and feels that a room by room check is necessary to identify the problem. Bill also suggested that if it is decided that the station will not go FM within 5 years, we should look into purchasing a good compressor for better sound.

Jim mentioned that WHEX is selling some good used equipment and we should look into their cart machines.

Music Survey will be done after Thanksgiving vacation. Possibility of having the RAs distribute and collect them for a better response. Asking Barry, Beth and Chris for permission.

Next Board Meeting is Monday Nov. 22, 1976.
